You are an artist and want to present your works on the Adagp Images website, what do you do ?

To create greater visibility and promote the works of member artists, Adagp has created a digital [Image Bank](#) [1] of modern and contemporary art.

Any Adagp artists or his/her beneficiaries can participate in the Image Bank.

If you are not signed up to Adagp yet, email the [membership department](#) [2] or telephone on 33 (0)1 43 59 09 79.

If you are a member of Adagp, what are the technical requirements for participating in the image bank ?

You can include the images of your choice (up to 30 images per artist) and a portrait of the artist or a photograph of the workshop on the website for free. We recommend you select a sample that is representative of your work. You can give us ektachromes or digital files (Tiff format, minimum 3000 x 4000 pixels, 300 DPI, RGB colour space).

Each image will be presented in low definition on our site and watermarked to prevent piracy as far as possible and control use.

Do not hesitate to contact the Adagp Images team by email (banque.images@adagp.fr [3]) or by telephone on 33 (0)1 43 59 09 79 to get more information and receive an application pack.
